

# SIMATS ENGINEERING

## ASSESSMENT TOOL 3

**COURSE NAME:** CSA16 **COURSE CODE:** Data Warehousing and Data Mining

---

### COURSE OUTCOME COVERED

**CO1:** Design data warehouse architectures with appropriate dimensional models for effective decision support systems. BL1,BL2

Assessment Tool Weightage: 40%

---

**QUESTIONS: 4**

**Total Marks:20**

Annexure A  
**MCQ TEST**

| <i>Criteria</i>  | <b>Conceptual Understanding(3)</b> | <b>Accuracy of Answer(2.5)</b> | <b>Application of Knowledge(2)</b> | <b>Completeness of Response(1.5)</b> | <b>Clarity &amp; Presentation(1)</b> | <i>Total(10)</i> |
|------------------|------------------------------------|--------------------------------|------------------------------------|--------------------------------------|--------------------------------------|------------------|
| <i>Weightage</i> | 30%                                | 25%                            | 20%                                | 15%                                  | 10%                                  | 100%             |
| Q1               |                                    |                                |                                    |                                      |                                      |                  |
| Q2               |                                    |                                |                                    |                                      |                                      |                  |
| Q3               |                                    |                                |                                    |                                      |                                      |                  |
| Q4               |                                    |                                |                                    |                                      |                                      |                  |

---

## RUBRICS FOR CALCULATION

| Criteria                          | Weightage | Level 4 – Exemplary (5 Marks)                                | Level 3 – Proficient (4 Marks)         | Level 2 – Developing (2–3 Marks)             | Level 1 – Beginning (0–1 Mark)  |
|-----------------------------------|-----------|--------------------------------------------------------------|----------------------------------------|----------------------------------------------|---------------------------------|
| <b>Conceptual Understanding</b>   | <b>30</b> | Demonstrates clear and complete understanding of the concept | Good understanding with minor gaps     | Basic understanding with some misconceptions | Poor or incorrect understanding |
| <b>Accuracy of Answer</b>         | <b>25</b> | Completely correct answer with no errors                     | Mostly correct with minor errors       | Partially correct with noticeable errors     | Incorrect or irrelevant answer  |
| <b>Application of Knowledge</b>   | <b>20</b> | Correctly applies concepts to solve the question/problem     | Applies concepts with minor mistakes   | Limited or partially correct application     | No or incorrect application     |
| <b>Completeness of Response</b>   | <b>15</b> | Covers all required parts of the question                    | Covers most parts with minor omissions | Covers only some parts                       | Incomplete or missing response  |
| <b>Clarity &amp; Presentation</b> | <b>10</b> | Clear, concise, and well-organized answer                    | Understandable with minor issues       | Somewhat unclear or poorly structured        | Difficult to understand         |
